CORPORATE LAW FIRM

History

Since its foundation in 1989, ANDARI, NAGIB E MARINS Corporate Law Firm has provided professional legal services competently in all areas of the corporate law, keeping its focus on high-performance outcomes.

Based on this commitment and a team of dynamic young partners, who practice corporate law objectively, ANDARI, NAGIB E MARINS has become a reference in its area.

Its portfolio of clients is made of national and multinational companies, professional associations and unions that reach out far beyond the limits of its hometown, Mogi das Cruzes and the region of Alto Tietê (name of the river that cuts across town). Therefore, the firm's attorneys are used to dealing with cases in Sao Paulo capital courts and the other main metropolitan areas in Brazil when it comes to corporate law.

ANDARI, NAGIB E MARINS relies on the expertise of its partners, built on solid academic and professional careers, as well as on a hand-picked staff, whose training is constantly updated to include any changes in the general legal framework.

Such features ensure that our clients' needs, from the most trivial to the highly complex, are met.
